

Our Kroger fundraising was a hit again this past season, doubling our income from the previous season. We want to congratulate the following swimmers and their families for their participation. Vouchers were mailed out to these families to be used towards their 2007/2008 swim dues. Remember every \$100.00 you put on your Kroger gift card 5% or \$5.00 comes back to the team. Of that \$5.00 half of it goes back to the family in a voucher form to be used toward their swim dues for the next swim season.

Thanks to the families above for participating in the Kroger Gift card program! A total of \$4,929.00 was raised for the Marlin Swim Team during our 2006/2007 season. Of that amount these families have saved a total of \$2,464.50 off their dues for the 2007/2008 swim season. If you are not participating in this program and would like to start accumulating savings for the 2008/2009 swim season, please contact Cindy Martin.
