

Our Kroger fundraising was a hit again this past season, with an improvement of 27% income from the previous season. A total of \$3315.99 was raised for the Marlin Swim Team during our 2007-2008 season. We want to congratulate the following swimmers and their families for their participation. Because of you, our Kroger fundraiser continues to be one of our team's best fundraising activities. Vouchers totaling \$3315.99 were mailed out to these families to be used towards their 2008-2009 swim dues.

Remember every \$100.00 you put on your Kroger gift card 5% or \$5.00 comes back to the team. Of that \$5.00, half goes back to the family as a voucher toward their swim dues for the next swim season.
